CALIFONE®

THE SIGHTS & SOUNDS OF EDUCATION

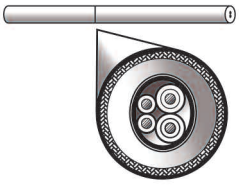
Titanium™ Series Headphone with Guaranteed for Life™ Cord

HPK-1510

Help optimize differentiated student learning experiences with this Titanium series headset and product longevity with its Guaranteed For Life cord.

washable

Guaranteed for Life™ headset cord cross-section



- Softer, more comfortable ear cushions
- Comfort strap for longer wearability
- Adjustable headstrap rugged enough for daily classroom use
- Earcups offer the highest passive ambient noise rejection, effectively blocking external distractions to keep students on task
- Detachable 6' cord is Guaranteed for Life™
- In-line volume control & mic mute on/off, LED light is green when the cord is plugged into the computer and red when the Sentinel switch is turned on
- USB 2.0 connectivity
- Noise-reducing microphone with reinforced boom for durability
- Protective slotted baffles guard against perforation of the speakers

- First washable headset for easy cleaning

Please contact us immediately if you experience any difficulties with your Headset. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.

Visit our website to register your product and to learn more about the complete line of *Califone*® audio enhancing and visual technology products including: Wired and Wireless public address systems and lecterns, wireless microphones, headphones & headsets, group listening centers, multimedia players, computer peripheral products and installed classroom infrared systems.

We are proud of helping teachers enhance student understanding and achievements since 1947, with your satisfaction as our first priority.

This headset carries a one year warranty for school use - unlike items purchased from consumer electronics stores whose warranties would be voided if used in schools. It has service support available through authorized dealers nationwide.
